God grant us Hope and Faith and Love

Hope for a world, Grown cynically cold,

Hungry for power, Greedy for gold.

Faith to believe, when within and without.

There is a nameless fear, in a world of doubt.

Love that is bigger, Than race or creed

To cover the world, and fulfil each need.

God grant these gifts,

of Faith, Hope & Love,

These things this world, has so little of,

For only these gifts, from our Father above,

Can turn man's sins, from hatred to love.

“Where two or three are gathered in My name ...” The community who gathers in Christ needs leadership.
