The first World Day of the Poor: will be observed in the universal Church on Sunday 19 November 2017 at the request of Pope Francis. The World Day of the Poor message is entitled, "Let us love, not with words but with deeds". In the message Pope Francis invites "the whole Church, and men and women of good will everywhere, to turn their gaze on this day to all those who stretch out their hands and plead for our help and solidarity." The Holy Father's message, draws from the life of Saint Francis and he comments that "precisely because he kept his gaze fixed on Christ, Francis was able to see and serve him in the poor." The Pope notes that "if we want to help change history and promote real development, we need to hear the cry of the poor and commit ourselves to ending their marginalization."
