### Notices

**Most pollination in Ireland:** is carried out by bees. In Ireland, we have 98 different types of bee: the honeybee, 20 different bumblebees and 77 different solitary bees. In providing us with the service of pollination, these bees are helped by other insects like hoverflies, butterflies and moths. Unfortunately, pollinators are in trouble. We know that one third of Irish bee species are **threatened with extinction**. The **All-Ireland Pollinator Plan 2015-2020** is an island-wide attempt to help pollinators by creating a landscape where they can survive and thrive. All of us have a role to play in the Pollinator Plan, and gardens of any size can make a big difference. To see what you can do to help: [www.pollinators.ie](http://www.pollinators.ie)

**ALONE:** is a Support organisation for older people who are looking for additional volunteers in Carlow town and County. To find out more please call 086 4108902.

*God grant us Hope and Faith and Love*

*Hope for a world, Grown cynically cold*

*Hungry for power, Greedy for gold.*

*Faith to believe, when within and without,*

*There is a nameless fear, in a world of doubt.*

*Love that is bigger, Than race or creed*

*To cover the world, And fulfil each need.*

*God grant these gifts,*

*of Faith, Hope & Love,*

*These things this world, has so little of,*

*For only these gifts, from our Father above,*

*Can turn man's sins, from hatred to love.*
