### **Living With Jesus**

I like to think that Jesus the son of God was a person like me.  
when I think about this I realise that Jesus had all the  
experiences that I have had too.

He understands what it means to be an ordinary person.

It is not always easy to be like Jesus everyday,  
being human we make mistakes and there are days when we  
act thoughtlessly or selflessly ,  
it is not always easy to be good.

Even when we are not good we can seek God's help  
because he is sympathetic ,  
this means that he understands what it is like to be human  
and understands when things go wrong for us.

If we were to meet him I don't think he would even talk  
about blame, instead I think he would be gentle and talk  
about trying again in order to make the world a better place.

Going to Holy Communion is a special time  
when we have God with us., it is God coming to us to help us  
live a holy and blessed life.
