The Christ of the gospels does not seem to fit our image of a king.

But if we understand the nature of Christ's teaching, we should not be put off by this notion, because Christ's idea of kingship is not one of power and authority but of service to the least of our brothers and sisters. He turns our idea of kingship upside down. He is one who treats everyone equally, who serves rather than is served, who is interested not in possessions or money or status but in people and compassion and justice.

We are called not only to worship Jesus Christ as our King but also to imitate his way of living.
