Polio Survivors Ireland, which is the new name for the Post Polio Support Group, would like to let you know about our plan for our new **National Polio Register**. People who had polio are asked to sign up to the National Polio Register. While it is estimated that as many as 7,000 people who had polio live in Ireland, many are not in touch with the charity Polio Survivors Ireland, making it difficult to lobby for improved services and support for those living with the impact of polio. The Register is being launched in Co Carlow this November, we are asking parishioners to help promote and support the Polio Register and also relay this information to polio survivors and their families. Please contact me if you need more information or materials, Contact Emma 01 889 8920 or Info@ppsg.ie Our website is www.polio.ie
