The Trinity in itself is a mystery, it goes beyond human comprehension as to how three beings can in fact be one.

Once illustrated it can become easier to understand.

A three legged stool for example; each leg working to hold the stool up. If one was taken away the other two would not be able to do this task sufficiently.

Think then how could our Father have shown his love on Earth without the help of His Son,

and how could His Son's message and work be carried through the ages without the help of The Holy Spirit?

This shows that the Father, Son and Holy Spirit, while distinct from one another are completely united in their will and purpose.

Today we honour this profound mystery and thank God for His gracious foresight to provide us with the means to fulfil Jesus' mission on Earth.
