Remember

You cannot help the poor, by destroying the rich.
You cannot strengthen the weak, by weakening the strong.
You cannot bring about prosperity by discouraging thrift.
You cannot lift the wage earner by pulling the wage earner down.
You cannot further the brotherhood
of man by inciting class hatred.
You cannot build character and courage by taking
away peoples initiative and independence.
You cannot help people permanently by doing for them
what they could, and should, be doing for themselves.
