**World Elder Abuse Awareness Day – June 15th:** World Elder Abuse Awareness Day serves as a call to organisations and communities to raise awareness about Elder abuse, neglect and exploitation. Research suggests that 4 – 10% of older people experience some form of abuse, most of which will go unreported. This day is to make sure we remain focused on our older populations and ensure that they continue to lead lives of high quality and dignity. You can show your support by wearing a purple ribbon on World Elder Abuse Awareness Day on June 15th.

If you thirst, drink the Fountain of Life;  
if you hunger, eat the Bread of Life.  
I ask great gifts indeed, who know it not?  
But, you, the King of Glory,  
know how to give greatly,  
and you have promised great things;  
nothing is greater than yourself,  
and you have given yourself to us,  
you gave yourself for us.  
You are our all, our life, our light,  
our salvation, our food, our drink,  
our God.

*"We the Improvement Group are asking people to clean up their homes and if possible to paint houses and fences before Tidy Town judging in June, Thanks for your cooperation. PS We are looking for volunteers to keep our village looking good"*.

The members of LIG would like to let the residents of Leighlinbridge know that a letter such as this was not sent by the group, LIG would never contact any residents in this manner and appreciate the continued support of all members of the community, when we contact anyone we always use Headed Paper and a reply address.

**Pollinator friendly gardening:** Leighlinbridge Improvement Group is moving to play its part in enhancing our local biodiversity. We are taking steps to reduce the continual mowing of grass wherever we can and we are managing these areas to promote the growth of wild flowers. This supports our butterflies, moths, bees and other insects. A very important part of this initiative is the cessation of the use of chemicals of any kind. We are hoping that many of our local gardens will follow suit & we have a range of materials available, free of charge, on how to garden for pollinators. Please text Mgt. on 087-8205872 if you would like some of these. See Leighlinbridge Improvement Group Facebook page for further information.
