Notices

Have pollinator friendly plants flowering in your garden from March-October:

One third of our bee species are threatened with **extinction** in Ireland. Many gardens have plenty of flowers in the summer but providing food for pollinators (bees) in spring and autumn is hugely important. You can provide pollinators with flowers by allowing native wildflowers to grow naturally in your lawn, or through deliberate planting. All of us have a role to play in the Pollinator Plan, and gardens of any size can make a big difference. To see what you can do to help: www.pollinators.ie

Safeguarding: If you have an issue with Safeguarding in the Parish please contact the DLP: Kathleen Sherry 085-8021633 or email dlp@kandle.ie Local safeguarding Reps are Eileen Johnston, Michael Roche & Liz Dunne.

May I use your words

Thoughtfully

Lord when I use my hands

May I give your hands

Caringly
