**All-Ireland Pollinator Plan:** Local communities can lead the way in creating an Ireland where pollinators can thrive. Our bees and other pollinating insects are in trouble. The good news is that you can help by making your garden pollinator friendly. Every garden, no matter its size, can be a haven for hungry pollinators. Download the set of pollinator friendly garden guidelines [www.pollinators.ie](http://www.pollinators.ie)

**2ND JULY 2023**

**13TH SUNDAY IN ORDINARY TIME**

Fragile earth

God by whom our fragile earth is  
blessed,  
make us servants of your creation,  
respecting and protecting all that you  
have made.

Teach us the joy of field and flower,  
the splendour of forest and tree,  
the grandeur of ocean and river.  
Make us yearn for a world where all  
may flourish.

Show us how to walk gently on the  
earth and

hold all in trust for future generations.

Amen.
